

Florida Community of Mindfulness

Board of Directors

2022

Priority Points

- 1. Integrate learnings about members' needs from the current Membership Survey and Focus Groups into FCM operations and offerings.**
- 2. Better understand and respond to the strategic implications for FCM of changes and cultural shifts related to the pandemic. Continue to balance online, in-person, and hybrid offerings in order to support both local and longer-distance members.**
- 3. Affirm and strengthen the primacy of FCM as a community that emphasizes warm personal connections and relationships in all its offerings and activities.**
- 4. Increase FCM's visibility to the local community and online. Expand efforts to identify and reach out to potential members.**
- 5. Explore the cost and feasibility of bringing the Education Building and Great Cloud Refuge second story porch into compliance with applicable local and state laws and regulations governing overnight stays.**
